

RCLS4F-G

4 pole loudspeaker cable connector with latch lock, chuck and bushing, bulk and single packed

Features & Benefits

- ✓ updated exterior design of REAN product language
- ✓ new latch system with better convenient unlocking experience
- ✓ VO plastic material ensure safety and compliance
- ✓ UL/VDE fully certified

Article Variations

| Article Name | Details | Packaging |
|----------------|-----------------------|-------------|
| RCLS4F-G-000-0 | Female, green housing | BULK |
| RCLS4F-G-000-1 | Female, green housing | Plastic bag |
| RCLS4F-G-001-0 | Female, blue housing | BULK |
| RCLS4F-G-001-1 | Female, blue housing | Plastic bag |

Technical Information

| Product | |
|-----------------|----------------|
| Title | RCLS4F-G-000/1 |
| Connection type | Loudspeaker |
| Gender | Female |

| Electrical | |
|---------------------------|---------------------------------|
| Contact resistance | $\leq 5 \text{ m}\Omega$ |
| Dielectric strength | $> 1 \text{ G}\Omega$ (Initial) |
| Insulation resistance | 4 kV dc |
| Rated current per contact | 30 A |
| Rated voltage | 250 VAC |

| Mechanical | |
|------------|---------------------------|
| Cable O.D. | 6.0 - 10.0mm |
| Lifetime | > 1000 mating cycles |
| Wiresize | 12 AWG / 4mm ² |

| Material | |
|-----------------|------------|
| Shell | PA |
| Contacts | Bronze |
| Contact plating | Silver |
| Locking element | Zinc Alloy |
| Chuck | PA |
